### Keep your profile updated

An up-to-date PPS profile is key to maintaining your access to PartnerWorld resources.

Qualification for entitlement is based on the characteristics of your company's relationship with IBM such as contracts, country, PartnerWorld membership level, certifications, skills and solutions.

### Welcome

- Update your profile
- Find a Business Partner
- Find a solution

### Update your personal profile

Learn more about common tasks performed using PartnerWorld Profiling System (PPS):

- **Update your personal employee profile**  
If you are a Business Partner employee, you can update your information including skills, address, phone, interest areas, etc.

### Select a country/region

### We're here to help

-  Easy ways to get the answers you need.

### Update your company profile - PRCs and APAs only

 **View a step by step tutorial on common profile tasks performed by APAs and PRCs.**

Learn more about common tasks performed by PRCs and APAs using PartnerWorld Profiling System (PPS):

- **Update your company profile**  
Only the Primary Relationship Contact (PRC) or Authorized Profile Administrators (APAs) can update company information. They can also add or update employee information.
- **Update employee access to specific applications**  
As an Authorized Profile Administrator (APA), you may give users access to additional applications that require individual enablement. **PartnerCommerce** is an example of such an application. Please note that your company might not have any applications in this category.
